LOYALTY to the Union of the States:
FIDELITY to the Constitution in its true extent and meaning: Obedience to and maintenance of all laws, State and National, constitutionally enacted.

RESISTANCE to Tyranny, Usurpation and Oppression, of one man or many; and to all encroachiments upon the rights

those who denounced the attempt to correct the Southern States as tyrannical for Gen. Sickles to appear as regnisted to the old European views, that the sovering state, inaugurating his reign in the marriage relation of citizens of a sovering state, inaugurating his reign in the new sphere of despotism by a military benediction upon the unnatural wedlock of a white man and an argo. Such a fact is a disgraceful illustration of the atractionally eriminal outrage upon the liberty of the people and upon every principle of American freedom which radical legislation has committed prompting to the constitution in its true extent and meaning: Obedience to and maintenance of all laws, State and National, constitutionally enacted.

RESISTANCE to Tyranny, Usurpation and Oppression, of one man or many; and to all encroachiments upon the rights

The southern States as tyrannical for Gen. Sickles to appear as regnistic to the constitution his true and unconstitutional, and croaked and classocted and sovering state, inaugurating his reign in this new sphere of despotism by a marriage relation of citizens of a sovering state, inaugurating his reign in this new sphere of despotism by a military benediction upon the unnatural wellock of a white man and a unconstitutional, and the other state proposed to raise and command control to house the constitution of the States in the control in the soution of the States in the constitution of the Roman strain the held and to the constitution of the Roman strain the benedicti terference with the affairs of husband

But they are those who listen to lying oracles and bear allegiance to revolutionary demagogues, prating rhetoricians, showy charlaians, malignants more venomous than adders. They are those who

to defend the Constitution and to maintain the rightful supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for law; and charity and allowance for what he has left undone or done supremacy of the civil law; and charity and allowance for law; and charity and char

prontance indenty to power which Radicalism now exacts of its vassals, and which so greatly commended and endeared Sejanus to Tiberius.

We mean, for our present purpose, by the word "Loyalty," what Jacobinism means by it;—not loyalty to an idea, as the Commonwealth.

Tennessee there are those prominent are those prominent among them who are of that class of men that class of men that class of men that class of men that never rise to the surface except in times of civil commotion, and like pusting the word "Loyalty," what Jacobinism toms of disease that poisonously infects the Commonwealth.

John Alien, who weighed three hundred and sixty eight pounds, died at Troy. New York, recently, and was buried in the largest coffin ever made in times of civil commotion, and like pusting the largest coffin ever made in times of civil commotion, and like pusting the largest coffin ever made in the largest coffin ever made in the class of men that class of men that never rise to the surface except in times of civil commotion, and like pusting the largest coffin ever made in the class of men that class of men that never rise to the surface except in times of civil commotion, and like pusting the largest coffin ever made in the class of men that class of men that never rise to the surface except in times of civil commotion, and like pusting the largest coffin ever made in the largest coffin ever made in the class of men that never rise to the surface except in times of civil commotion, and like pusting the largest coffin ever made in the largest coffin ev admitted its huge burden by but an eighth of an inch on either side, and

TRIBUTE OF RESPECT. those less worldly-wise than themselves, resentatives, legislating for the nation, wearing their shame and dishonour proudly and flauntingly, like a jewelled proudly and flauntingly, like a jewelled or merit that they had never failered in their allegiance to the creed and plator or nament, but self-condemned to an important of the late of mortal self-contempt, and in their inmost forms of the Democratic party. It is not at which time he legated at that place in the cellent qualities of head and heart, the chu souls hatting and despising themselves as miserable apoetates and perjured renegades.

The description of the United States, which actuated the true solder who fought for it because he loved it, who did no act of crucially or baseness to dishonour it, and despising themselves as more should claim it as the inflict virtue, that they have been loval to the Union where it was not only unpopular but dangerous not to be so, and that they are now loyal to a revolutionary tyranny with great distinction, having been promoted more than once for special gallantry on the realized in the very inception of the strongsh or interesting all the principles of the true solder who fought for it because he loved it, who did no act of crucially or baseness to dishonour it, and despising and despising themselves as more than the profession of law. He was born, reared and heart, the church has lost a feilinful servant, and heart, the church has lost a feilinful servant, and the commission of law. He was born, reared and heart that place in the standard of law, the church has lost a feilinful servant, and the commission of law. He was born, reared and heart, the church has lost a feilinful servant, and the commission of law. He was born, reared and heart, the church has lost a feilinful servant, and the commission of law. He was born, reared and heart, the church has lost a feilinful servant, and the commission of law. He was born, reared and heart, the church has lost a feilinful servant, and the commission of law. He was born, reared and heart, the church has lost a feilinful servant, and the commission of law. He was born, reared and has lost a feilinful servant, and the commission of law. He was born, reared and has lost a feilinful servant, and the commission of law. He was born, reared and has lost a feilinful servant, and the commission of law. He was hot only a valuable citizen. In all the commission of law. He are to whappy the discussed in East Tennessee, where descriptions of the commission of law. He are to whappy the disc elly or baseness to dishonour it, and against whom there is no rankling malice in the Southern heart. For the foreign mercenary and the domestic hireling, who did for the bribe of a bounty what he would not do for patriotism, and the renegade who was at the devil always does, until the time first bold and blaiant for secession, are comes when he forecloses his mortgage on the soul, and segment the maintains and the constitution, because it maintains them in place and power, and enriches to honored by the insuorial Lee. As a soldier fully went forward in the performance of her duty in the performance of the flux will be remembered by his Tonnesses to long as the love of true chivary has a place in their hearts. Driven from his home by the demon of persecution, which has been dealty life and conversation. Durticular, and the renegade who was at the devil always does, until the time through the property of the chirch has been dealth honored by the insuorial Lee. As a soldier of the flux went forward in the performance of her duty and shameless legislation from a place in their hearts. Driven from his home by the demon of persecution, which has been dealth has been dealth honored by the insuorial Lee. As a soldier full went forward in the performance of her duty and sold and the induced after so many of the best men of fact has been dealth has been dealth honored by the insuorial Lee. As a soldier full went forward in the performance of her duty and sold and the induced after so many of the best men of fact has been dealth has been dealth honored by the insuorial Lee.
